Hi Lili-

Please note the neighbor's concern below. Can you ensure that the contractor has a water truck or access to water to prevent any dust issues? Please let me know ASAP, as I believe the work is proposed to start today. Thank you.

Sincerely,

Amy Seeraty

Subject: Resident of Seaview with comment on trump project starting 11/18

Would you please have the utility company have a water truck on site to keep all the dirt kicked up by big trucks, as moist as possible to minimize dust to the surrounding housing? Events where cars use the driving range for parking cause so much dust and dirt on and in Seaview properties that it would be greatly appreciated if the Trump team would do this added step.

Thank you,
Elizabeth Sax
